BLUE-COLLAR FIELD

"HARD HAT and HARD-NOSED REQUIRED"

Soon after his arrival on campus, Head Coach Brad Warnimont and his players constructed "Blue Collar Field" -- the Tigers new practice facility. "This field has come a long way in one year and it will only get better," Warnimont predicts.

Central to the facility is an entire practice field which will enable the Tigers to play outside very early in the spring. It also features three bullpen pitching mounds and two hitting cages... everything needed to run a quality practice.

The Tigers home field, Frank Loria Field in Clarksburg, is touted as one of the nicer fields in the whole state. The lighted facility provides an added luxury for Tiger fans. Four night contests highlight this season's home schedule.

This combination of quality facilities should prod the Fighting Tigers in their '99 prowl around the conference and stalking the WVIAC Championship.

"Night Games have a two-fold benefit; the first is... it keeps our players in class and the second is... it helps our fan base."

SALEM-TEIKYO UNIVERSITY

Location: Salem, WV	Athletics Office Phone:304/782-5286
Enrollment: 850	Address: 223 West Main Street, Salem, WV 26426

Conference: WVIAC	Baseball Office Phone: 304/782-5632
President: Dr. Ronald E. Ohl	1997-1998 Record: 22-24
Athletics Director: Michael A. Carey	Head Baseball Coach: Brad Warnimont

BRAD WARNIMONT
HEAD COACH

Brad Warnimont enters his second season as S-TU's head coach. Warnimont returns to the diamond after leading the Fighting Tigers to a 22-24 record and a trip to the conference tournament. That 22 wins was a school record. However, Warnimont isn't content with that win total. His goals are set far beyond 22 wins and a conference tournament bid. Warnimont has set his sights on the WVIAC Championship and a regional bid.

Warnimont returns six out of nine starters that finished 8th in the Nation in stolen bases with 128; averaging 2.78 thefts a game. Aggressive play has always been a trademark of a Warnimont ballclub and this year's club should not be any different.

Aggressive is exactly the way to describe Warnimont's approach and past history. In his previous coaching position at Ashland University, Warnimont's teams broke (38) team and individual school records. A coaching stint that also included a trip to the Division II College World Series in Montgomery, Alabama in 1995. Warnimont accoomplished that feat in just five short years at Ashland. He has set some of the same goals for the Salem-Teikyo University Program.

Warnimont's teams have earned a reputation as being aggressive running teams that apply constant pressure on the opposition. In 1996, Warnimont's Ashland team was 7th in the Nation in stolen bases with 134 thefts. At Salem-Teikyo University, Warnimont boasts that his overall team speed is better than that team at Ashland, and success on the basepaths will be directly related to teaching baserunning instincts and fundamentals.

Warnimont is highly respected on the regional and national level. He has served on numerous national committees, including the Regional Selection Committee and currently he will be the All-American Selection Committee Member for the North Atlantic Region.

Before coming to Salem-Teikyo University, Warnimont spent seven years at Ashland University where he totaled 167 wins including a conference championship, a regional championship, and a trip to the Division II World Series. Prior to Ashland, Warnimont began his head coaching career at Bethany College where he led the Bison to a share of a conference championship in 1989. Warnimont also served as an assistant coach at Ohio State where he worked as a graduate assistant, Capital University, and Cornell University. While at Cornell, Warnimont worked with Hall of Fame Coach, Ted Thoren, now retired. Warnimont also coached with Thoren in 1996 as the two coached the Austrian National team in the "B" Pool tournament in Hull, England where the country had its best finish ever; that being fourth.

Warnimont earned a Bachelor's Degree in Health and Physical Education in 1986 from Ohio Wesleyan University where he was All-Conference in both football and baseball and earned seven letters. In baseball, Warnimont still holds records for most homeruns in a game (3) and most runs scored in a game (6). He and his wife, Sue, reside in Bridgeport with their two sons, Caleb and Tyler.

		W - L - T	WINNING %
31 years	Clem Clower	253-257-3	.493
2 years	Pat Atwell	22-40	.354
6 years	Lou Talerico	79-101	.438
1 year	Brad Warnimont	22-24	.478
	Total	376-422	.471

* Clem Clower was the last coach in the WVIAC to coach (3) major sports: football, basketball, and baseball.

1999 PREVIEW

Ever so slowly, The West Virginia Intercollegiate Athletic Conference caste system is changing. A year ago, Salem-Teikyo University Fighting Tigers moved from being a middle-of-the-pack, middle class team into membership in the WVIAC elite. A year ago, the Tigers advanced to the league's postseason tournament, joining such elite teams as West Virginia State, West Virginia Wesleyan, and West Liberty State College. Those schools are well established as WVIAC powers and Division II powers. The Tigers want to be mentioned in the same breath.

Can they do it? Plenty of returning talent is on hand to challenge those three schools and everyone else in the WVIAC. Membership in this exclusive group doesn't come easily. There are standards to be met: consistant pitching, good defense, good hitting, and the ability to win 30 games, year in and year out. Head Coach, Brad Warnimont, believes his Tigers will belong with the Division II powers. Listed below are reasons why.

Pitching

The S-TU pitching staff returns four upperclassmen from a year ago. Seniors Ryan Kelley, Kris Draper, and Jack Ross with Junior Jay Persinger rounding off the returnees. All three Seniors saw the majority of their work in relief; Kelley was 3-1 in 18 games, Draper was 1-2 with 7 saves in 18 games (that save total tied Kris for 9th in the nation), and Ross was 1-2 in 9 games. Junior, Jay Persinger, returns coming off a 2-7 season. Jay was the workhorse of the staff leading in innings pitched with 64. These four upperclassmen had a hand in 14 of the Tigers 22 victories.

This year's staff will definately have a new complexion with ten new faces. Junior College transfers Rusty Price from Hillsborough County Community College and Norm Payne from Kellogg Community College should have an immediate impact. Eight new Freshmen intend on competing for roles on the staff. Lefthander, Jeff Pethel from Salem and Liberty H.S. will compete for a starting spot. Also competing as starters will be righthanders Jon Thompson, a red-shirt Freshman from Boone County and Sherman H.S., Ryan Poling, from Clarksburg and Notre Dame H.S., Josh Thomas, from Summersville and Nicholas County H.S., Mike Roush, from Huber Heights, Ohio and Wayne H.S., and Drew Soleyn, from Toronto Canada and Richview Collegiate. Projected as relief pitchers are red-shirt Jeff Chumley, from Salem and Doddridge County H.S. and Murphy Kane from R.C. Byrd H.S. in Clarksburg.

With a plethera of both starters and quality relievers the key for Coach Warnimont will be pushing the right buttons in all the right situations.

Catchers

Losing Senior, John Traiforos, to graduation could be costly for the Tigers leaving the catching duties to several newcomers. Tom Sutton of Wheelersburg, Ohio led his high school to two State Championships in his four years. Tom received All-State Honors his Senior season hitting .438. Eddie Rundle will be the second Freshman to carry the load. Eddie is a 6' 220 Freshman out of Sarasota, Florida and Cardinal Mooney H.S. The latest addition is Paul Latterick. Paul transfered after the first semester from Columbia Green C.C. Paul played on Columbia Green's World Series Team in 1997.

First Base

Senior Chris Durant should provide needed leadership in the infield. Coming off an average season by Chris' standards, Chris should be looking to have a great senior season. Freshmen, Jeff Pethel and Mike Roush, both lefthanded hitters, should be looking to win playing time. Also, Scot Peace, a versatile player, could see some time at First Base. Scot is a Junior College transfer from Columbia Green Junior College.

PREVIEW (CONTINUED)

Second Base

Juniors Willie Thomas and Chris Pluto should hotly contest this position. Thomas was the starter for the majority of the 1998 season while Pluto battled through injuries. Willie also has the versatility to catch if needed. Both are great situational hitters that play sound defense. Both players also back up at shortstop.

Shortstop

Jeremy Sutton returns at shortstop with another year of experience under his belt. "The more he plays the better he will be. This is only his second full year at the position." Warnimont states.

Third Base

Sophomore, Junior College transfer, Greg Knapp, from Kellogg Community College should ancor the infield at third. Greg is also athletic enough to back-up at shortstop. Murphy Kane, a freshman from R.C. Byrd, should also see time at third base along with pitching.

Outfield

"Our outfield should be the deepest and most talented in the nation." All seven outfielders run under 7.0 in a 60 yard dash and 4 are 6.7 or faster. Returning Seniors are Jack Ross and Deke Akin, both split time in left field last season. Juniors Brian Brockman and Thomas Perry return in centerfield and right field respectfully. Perry was 17th in the nation in triples/at bat last year. Two Junior transfers should also have immediate impacts for the Tigers, Russ Faden, a transfer from the College of St. Rose in New York and Scot Peace, a Junior College transfer from Columbia Green Junior College. Peace was First Team NJCAA All-American last season hitting .395 with 6 homeruns, while Faden hit .365 for St. Rose with 15 doubles, 4 homeruns, and 26 stolen bases. Two Freshmen that could see limited playing time are Drew Soleyn from Toronto, Canada and Tony Scott from New Carlisle, Ohio. Drew serves a dual role as pitcher, while Tony is a dual sport athlete competing on the S-TU Soccer team where he had an impact as a Freshman.

"This is the most athletic ballclub I have ever coached-that includes my 1995 World Series team at Ashland University. This team has it all on paper. We finished 8th in the nation in stolen bases last year and we should be in the top three this year if not lead the nation. We have depth, competition at positions, and a pitching staff of fifteen, the only thing that concerns me is losing the hunger to prove people wrong. We play one game at a time; aggressive and enthusiastically."

WVIAC

When it comes to Division II Baseball, the West Virginia Intercollegiate Athletic Conference is no stranger to post-season play. In 1998 two WVIAC conference schools competed in the North Atlantic Regional Tournament, West Virginia State and West Liberty State College. West Virginia State was the Regional runner-up and one game away from a Division II College World Series bid.

Alderson-Broaddus College, Bluefield State College, Concord College, Davis & Elkins College, Fairmont State College, University of Charleston, Salem-Teikyo University, Shepherd College, West Liberty State College, West Virginia State College, West Virginia Tech, West Virginia Wesleyan College make up the WVIAC in baseball. The teams are divided into two divisions, a North and a South. The two Division Champions receive an automatic bid to the conference tournament. While the other two spots need to be earned in two play-in games, #3 rank vs. #6 rank, and #4 rank vs. #5 rank, based on a power rating system. The two winners then advance to the conference tournament. Most recent Conference Champions are:

1998- West Liberty State College
1997- Shepherd College
1996- West Virginia Wesleyan College
1995- West Virginia Wesleyan College
1994- West Virginia State College
1993- West Virginia State College
1992- West Virginia Wesleyan College
1991- West Virginia Wesleyan College
1990- University of Charleston
1989- West Virginia State College
1988- West Virginia State College

1998 IN REVIEW

TIGERS POUNCE AT SEASONS END

Taking the job late in August, Head Coach Brad Warnimont was faced with a huge challenge. With only fifteen eligible players on the squad, set some goals that were attainable: 1) A winning season, 2) Make the conference tournament, 3) Have fun, and 4) Stay positive.

Throughout the fall and winter conditioning program the same reoccuring statement could be heard from Coach, "We have to be in great shape as a team because injuries happen when you're out of shape." On the Spring Trip, The Tigers dove in head first playing fifteen games in twelve days. The Tigers faced four nationally ranked opponents in these fifteen games. Two of those nationally ranked opponents were to be defeated by the Tigers, 11th ranked Slippery Rock and 21st ranked Mercyhurst. The Tigers returned home with a 6-9 record, something to build on for the difficult northern schedule ahead.

The Tigers opened up their non-conference schedule with nationally ranked Mercyhurst at home in a three game series. The Tigers won one game in the three game series. Finishing up their non-conference schedule the Tigers went 5-3 to bring them to one game under .500 at 11-12.

The Tigers played inconsistant all season long; a series of ups and downs that left them at 7-11 in the conference with four games remaining and an outside shot of making the conference tournament and post season play. A sweep of a doubleheader over visiting Davis & Elkins left the Tigers two games short of reaching their goal and qualifying for the conference tournament; left ahead, Bluefield State on the road. The Tigers completed their mission by defeating Bluefield State and qualifyig for the first round of the conference tournament. At that time, S-TU was the hottest team in the conference winning their last four games. Going into the tournament, the Tigers sat at 22-23 overall, one game shy of winning season. All the momentum was with the Tigers to reach their goal, however, they came up short in an 11 inning contest with West Liberty State College in the first round losing 10-9.

Several goals were met: top ten in the nation in stolen bases, S-TU finished 8th, S-TU also qualified for post season play. The mission was accomplished. However, the winning season will have to leave the underclassmen hungry for the 1999 season.

The Tigers set numerous team and individual records in 1998 with only sixteen players. They also established themselves in the conference by defeating two of the top teams in West Virginia State and West Virginia Wesleyan. Truly, a season of ups and downs that ended with a big down; this should leave The Tigers looking to pounce more often in 1999.

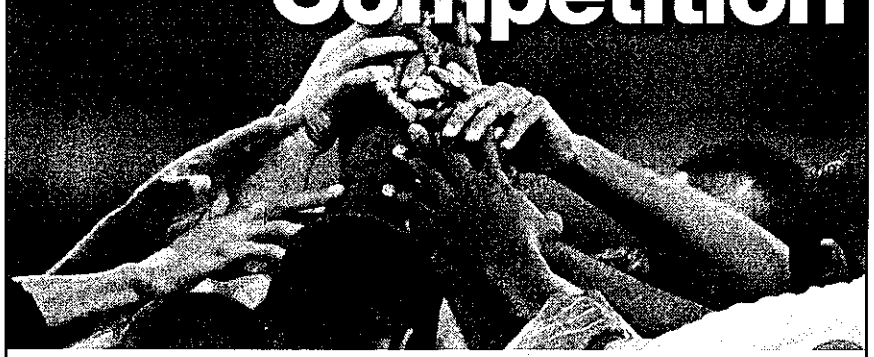
Building Character Through Competition



Through the years, athletic competition has prepared many of America's young people for adult life by teaching them about the challenges of competition, the benefits of cooperation, the joys in victory, and the lessons in loss. Athletics helps build character through competition.

City National Bank is proud to be a part of this great tradition.
